SHAPING NATURE, MOULDING FUTURE

PASQUAL ARNELLA
Barcelona · 1892

Pasqual Arnella is a family business with 130 years of experience crafting products with recycled paper.

Our mannequins are made of paperpaste, a renewable compound that embraces the circular economy from all sides.

We are a team empowered by four generations of people who believe in what we do and how we do it. Because it's all about passion.

3 in 1 system

1 Mannequin = 1 torso + 1 legs display

We designed a special back screw so you can fix the upper part of the mannequin over any 25 mm Ø pipe, as well as the legs, that thanks to our flat joint, you can use them as an independent display.

Hood support

Support system for hoods and headwear, easily removable through tool-free screws and magnets. Create a ghost effect with any of our mannequins.
